

Lots of Cuddles & Care

Newsletter

Welcome October!

Parent Reminder Board

The days will slowly become chilly so please bring shoes and a light jacket for outside play. Also, please remember to place your child's initials on their blankets and jackets.

This month our theme is Dressing Up! We will learn about the different uniforms people wear to their jobs and how to recognize what they do by their clothing. We will be doing Mother Goose Preschool Time every Monday. Mother Goose Time's themes this month are fire prevention and Halloween. It will be an exciting month with Pajama Day and our annual Halloween Party! Please no Halloween costumes as I don't want anything to happen to them during the day. Have a safe and fun October!

Baby Steps

This month we will be practicing our leg exercises as well as trying to sit supported. I will also help our littlest ones to roll from back to tummy (from both sides) and from tummy to back. The babies will not spend as much time outdoors as they have been unless the weather is unseasonably warm. Please remember to mark the tag on your baby blankets so I can tell which one is your child's.

Visit us Online!

This month I will be working on getting everyone's user name and passwords into the Parent Area of my website since we have a few new families who need to be added. I hope you enjoy this part of my website!

October Activity Calendar

Book Selections

Read to your child often to help create a love for reading! Studies show that children who are read to as a child are more avid readers themselves!
