

Lots of Cuddles & Care

Newsletter

Welcome September

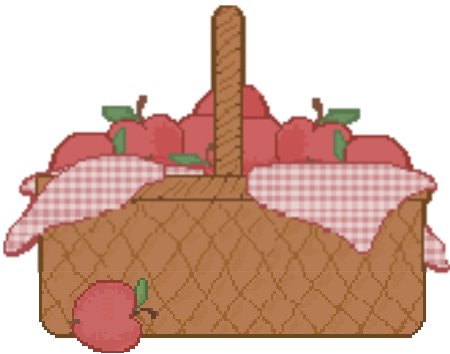

Parent Bulletin

Letters: D, E, F, G & H

Animal of the month: Jelly Fish

Birthdays: Alivia 27th

We are going to be using *Monday Morning* preschool booklets for the duration of my Alphabet curriculum which children ages 18 months and up will benefit from. We will move slowly and review frequently. The Alphabet will be our main focus for the next few months. We started learning our letters the end of August so my calendar won't start with the letter A for that reason. The children will be working in their own Alphabet Workbooks as well the first day of learning a new letter which will go home after completion. We will also review flash cards with letters, numbers, shapes and colors **every day**. Cottonwood is out on September 7th for Labor Day and LOCC will be closed that day as well. Have a wonderful start to the Fall season!

- 7 - Labor Day
- 11 - Patriot Day
- 13 - Grandparent's Day
- 22 - First Day of Autumn
- 27 - Alivia's B-day

Book Selections

Here is some suggested reading for you and your child this month. Read to your child often to help create a love for reading! Studies show that children who are read to as a child are more avid readers themselves!
